

Southern Hospitality Graze – small plates \$ 75.00

One of my personal favorites for any season, Wow Wow Wow! The flavors... Our take on chicken and waffles is mind blowing with the granola crust french toast log with a jalapeno maple in place of traditional waffles with syrup. Our pickled shrimp & vegetables in mason jars, or wait how bout mini skillet cooked cornbread with bacon & onion jam, wait what? Yes bacon and onion jam! I'm not trying to sell this package to you, im just giving a little taste into what we are about, and thats being unique and thinking outside the box to create a unique experience.
